(1) Preferred Dividends

When the Company declares a dividend of surplus with March 31 as the record date, the Company shall pay in cash to holders of the Series 1 Bond-Type Class Shares entered or registered in the last shareholder register as of the record date of that dividend, in preference to the Common Shareholders, in the amount per Series 1 Bond-Type Class Share equal to the product of equivalent of the issue price per share of the Series 1 Bond-Type Class Shares multiplied by the annual dividend rate specified in the following subsection (not more than 10%; the "Annual Dividend Rate")(a "Preferred Dividend to Series 1 Bond-Type Class Shares").

(2) Annual Dividend Rate

(i) If the record date falls in a fiscal year ending on or before March 31, 2030:

2.600%

(ii) If the record date falls in a fiscal year ending on or after April 1, 2030:

The interest rate of One-Year Japanese government bonds (JGBs) as of two business days before the last day of the immediately preceding fiscal year, plus 3.022%

(3) Accumulation

If the amount of dividends of surplus actually paid to the holders of the Series 1 Bond-Type Class Shares per Series 1 Bond-Type Class Share in a given fiscal year in which the record date falls is less than the amount of the Preferred Dividend to Series 1 Bond-Type Class Shares for that fiscal year, that shortfall amount shall accumulate in subsequent fiscal years by a simple interest calculation (the accumulated shortfall, the "Accumulated Dividends Payable to Series 1 Bond-Type Class Shares"). The Company shall pay dividends of surplus to the holders of the Series 1 Bond-Type Class Shares until such payment reaches the amount of the Accumulated Dividends Payable to Series 1 Bond-Type Class Shares, in preference to any dividends of surplus provided for in the subsection (1) of this section or the following section.

12. Distribution of Residual Assets (1)  
Distribution of Residual Assets  
When the Company makes a distribution of residual assets, the Company shall pay in cash to the holders of the Series 1 Bond-Type Class Shares in preference to the Common Shareholders, in the amount per Series 1 Bond-Type Class Share equal to the sum of the equivalent of the issue price per Series 1 Bond-Type Class Share plus the total of the Accumulated Dividends Payable to Series 1 Bond-Type Class Shares and the Accrued Dividend (defined below) as of the date of the distribution of residual assets (the "Distribution Date").  
  
"Accrued Dividend" means the amount obtained by multiplying the amount of the Preferred Dividend to Series 1 Bond-Type Class Shares for which the record date falls within that fiscal year by the number of days in the period beginning from (inclusive) the first day of the fiscal year in which the Distribution Date falls and ending on (inclusive) the Distribution Date, and then dividing such amount by the number of the days in the fiscal year.  
  
(2) Non-Participation  
No distribution of residual assets shall be made to the holders of the Series 1 Bond-Type Class Shares other than the distribution provided for in the preceding subsection.
13. Order of Priority
